Debbie, there is so much I want to say to you - you mean so much to me and I pray we become closer friends through out the summer. I have thanked you for all the special life Debbie - just keep you all ears and eyes for more than humans could ever show you. He gives so much to Him and His will for you to Him as well as those who you really don't know. I guess the really beautiful part about Christianity is sharing it with others. Keep a lot of times louder than words. If you ever need someone to smile to... Debbie. I'm always here. I love you so much Debbie. Even now because we share verses. Keep in touch. Tell me always Debbie, "73" Love Laurie Landolf

along with all the worry and confusion that went with working on this book, there have also been times of laughter and memories. you cannot begin to see nor feel everything this book has to offer until you have worked closely with it. we only hope we have captured a little of "you" amongst these pages.

for their patience in putting up with us and the extra help they gave us, we thank laurie parrish, dennis hart, the staff and for all his time and devotion our fantastic photographer, larry knudsen.

Debi - You've caught the sun! And he has
already reflected in you so much concern
for your companions and friends, and loved
you for the neat girl you are. I'm praying
for you now, that every joy and peace in life
will follow wherever you are, and that you
together with all God's children will praise
Jesus always. I really appreciate your friend-
ship "I know it will be long lasting!" In Him -
Joni D.

i'll catch the sun
and never give it back again.
i'll catch the sun
and keep it for my own.
and in a world where no one understands
i'll take my outstretched hand
and offer it to anyone
who comes along and tells me
he's in need of love.
in need of hope or maybe just a friend.
perhaps in time i'll even share my sun
with that new anyone
to whom I gave my hand.

Debbie-
I don't really
know you well,
but you seem to be
sweet, don't you?
change. During the summer
a lot of people do. You've got to
admit this year has gone by fast.
And a lot of people are leaving, but
next year we're going to be big, people
will miss us. And when we leave, people
will miss us. Keep the faith, and
I hope you find happiness in all
aspects of life. Good luck
Love. Bonnie
Bonnie

farewell to you
and the youth i have spent with you.
it was but yesterday
we met in a dream.
you have sung to me in my aloneness, and i
of your longings have built a tower in the sky
if in the twilight of memory
we should meet once more,
we shall speak again together
and you shall sing to me a deeper song
and if our hands should meet in another dream,
we shall build another tower in the sky.

I just want to say that I'm really glad you've become my friend. You're a really nice person to talk to & be around with. I hope you stick with campus life because it's the best thing for you. I know I've learned a lot from it & I've had a lot of fun.

Debbie:

Acquaintance with you gets involved, like your name! Your ready smile provides balm for your soothing chatter with old Loretta. You'd cheerfulness and optimism lights up a room the way it lights up your face. Let that light shine! God's light, th! eh?

Deb - I'm so glad I've gotten to know you this past year! I've had a good time whenever I've been with you, and I hated to see it end. You're really a sweet girl & I wish you all the luck in the world! Be good & never stop your laughing.

Love ya,
Rosalee
